

Costs to Connect to Sewer in Amherst Woods

Homeowners are not required to connect to the new sewer until their septic systems fail.

Phase 1 Streets: Wildflower Drive to Larkspur Drive, both ends of Larkspur Drive, Ladyslipper Circle, Woodlot Road and Teaberry Lane

Phase 2 Streets: Wildflower Drive from Larkspur Drive to Station Road, Trillium Way, Foxglove Lane, Indian Pipe Lane and Alyssum Drive

COSTS:

- \$2,000 Connection Fee + \$35 Permit Fee to the Town (one-time only)
- Cost for an Excavator to crush and fill-in Septic Tank and connect the new sewer line from the street to their home.
- Cost for a Landscaper to repair damage to lawn, shrubs, reseeding, etc.

For a list of neighbor-recommended EXCAVATORS and LANDSCAPERS, go to the RESOURCES page on the AWhA website.
